

INDEPENDENTS

Survey includes: English-language, US-produced theatrical features grossing at least \$500,000 produced and/or distributed by DreamWorks, Lionsgate, Miramax, MGM, Summit, Weinstein, and other independents. Independent producer-distributors are not members of the Motion Picture Association of America, like the majors, nor are they niche film labels of the majors' parent companies, the vertically-integrated media conglomerates. Some "indies" are subsidiaries or financial dependents of other companies, such as cable firms or hedge funds. Listed by year, by G/PG/PG-13 or R/NC-17 rating, alphabetically within groups. Movies with tobacco imagery are **boldface**.

INDEPENDENTS' 12-YEAR RECORD, 1999-2010

Note: DreamWorks, Lionsgate, Miramax, MGM and Weinstein are reported separately; other independents are grouped. DreamWorks was acquired by Viacom in 2006 and became independent again in 2008. DreamWorks' 2006 and 2007 releases are reported in the Viacom studio survey. Disney spun off Miramax and its film library to Filmyard Holdings in 2010.
